

elIzIoM

The image features a stylized circuit board layout within a rectangular frame. The layout includes various components represented by black shapes: a large multi-pin connector on the right side, several smaller connectors and pads at the top and bottom, and a horizontal row of pads in the lower-left. The word "elIzIoM" is centered in a bold, black, sans-serif font. The letters are slightly irregular, with the 'I' and 'o' appearing as simple vertical and horizontal strokes respectively. The overall design is minimalist and technical, suggesting a theme related to electronics or computing.
